

International Academy

i *Ibmec*

What we do best.

With over 45 years of experience, Ibmec is one of Brazil's top business schools. Our courses have earned the highest marks by the Brazilian Ministry of Education. We present a teaching methodology with DNA strongly supported by business and a faculty composed of masters and doctors with market experience.

The Ibmec International Academy is an intensive business course for undergraduate and graduate students, in which the student have one week of classes from **July 17th to 21st** in Rio de Janeiro, a cultural district in Latin America.

Study in Rio.

When visiting us be amazed by the warmth of Brazilian people and the richness of races. Enjoy our beautiful beaches and landscapes, in contrast to the bustling nightlife.

Lagoa Rodrigo de Freitas

Arcos da Lapa

Copacabana Beach

A background image of a diverse group of business professionals in a meeting. A man in a light grey suit is shaking hands with a man in a dark pinstriped suit. Other people are smiling and looking at each other. The scene is set in a bright, modern office with large windows in the background. A large, semi-transparent yellow and orange geometric graphic is on the right side of the image.

Make Connections.

Ibmec believes in international networking and in making connections. Meet people from all over the world and expand your professional horizons, as well as making new friends.

International Academy includes a Welcome Event and Reception for Students to get to know each other and their professors. At the end of the program, Students will receive an official certificate at the Farewell Ceremony hosted by Ibmec.

Our Programs

Ibmec's International Academy is composed of 6 courses, each containing a twenty-four hours workload. Students may shape their course according to their interests, choosing to take up to 3 courses from the offered courses.

- ▶ Single Program: One course selection.
- ▶ Partial Program: Two courses selection.
- ▶ Full Program: Three courses selection.

Courses

Brazil: Past, Present and Future

Based on a political and economic approach, this course addresses the country's past and present in order to draw expectations and analyze the future of Brazil in the international environment.

Financial Markets

The course offers a thorough analysis of the financial markets, presenting variations and differences between them and producing a holistic view of the subject.

Brazilian Logistics

This course aims to highlight the logistical and political aspects that imply foreign trade in the Brazilian State. In the course, we will analyze all processes that cover foreign trade in Brazil and learn about the operation of the process of import and export.

Sports Management

We present sports concept and scope. By exposing the aspects of Sports Industry and its segments and teaching students how to manage a Sports Organization considering Marketing, Human resources, Logistical and Financial aspects.

Brazilian Law

This course covers aspects of law and legal systems. Exposes the sources of law and fundamental legal conceptions. Also encompassing Theory of state, History of Brazilian law, Constitutional law, Administrative law, Taxation law, Labor law, Tort law, Family law, Property law, Contract law, Criminal law, procedures, Corporate, and insolvency law.

Doing Business in Brazil

This course aims to explore all Brazilian market dimensions, providing an overview of the political, economic and social aspects of Brazil to foreigner students. To enable the students to learn about Brazilian strategies and how business are conducted, especially regarding business models, processes, social impact and new opportunities.

Credits

Each course weights twenty contact hours plus four hours of independent study and homework. Accumulating a total workload of 24 hours for the Single Program, 44 hours for the Partial Program and a total of 64 hours for the Full Program. Following Ibmec's criteria for converting Brazilian credits into the ECT system, each course equals 3 ECTS.
